Prospect Knolls B / Dewey Hill G Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

Remember, on-street parking during reconstruction is not allowed in areas where crews are working.

This week, crews began restoration in the Prospect Knolls area and started utility upgrades in the Dewey Hill area.

Next, crews will start on the new water main installation on Hyde Park Lane and then move on to Hyde Park Circle. During this process, houses on these streets will be serviced by temporary water.

Crews will also continue to work on utility upgrades throughout the project area.

Remember to routinely check your front door for time-sensitive notices. All schedules are weather-dependent and are subject to change.
